## World Cancer Day, 04<sup>th</sup> February 2024

### 'Rise Against Cancer'-Mobile App Launch by Indian Cancer Society

The Indian Cancer Society (ICS), India's largest anti-cancer NGO, commemorates World Cancer Day by unveiling its groundbreaking 'Rise Against Cancer' mobile app. Supported by Rajiv Gandhi Cancer Institute & Research Centre (RGCIRC) and Roche Products (India) Private Limited, the Made in India app aims to bridge gaps, foster awareness, and unite communities for a cancer-free future.

According to GLOBOCAN, close to 1.3 million individuals are diagnosed with cancer annually, with nearly 800 thousand succumbing to the disease in 2020. Recognizing this alarming statistic, ICS has set a mission to reach 50% of the total adult population within the next decade, offering accurate information and counselling about cancer to facilitate early detection and cure.

## Philanthropy Meet, 09<sup>th</sup> February 2024

### Bridging the gap & fostering collaboration for cancer care

**Bridging the gap & fostering collaboration** for cancer care, held at Rohini Centre, RGCIRC on 9th February, unveiled initiatives to foster partnerships, making quality cancer care more accessible and affordable. The conference marked the release of a booklet titled "A Sun Rises in Cancer," providing insight into RGCIRC's philanthropic endeavors. The event brought together medical experts, industry leaders, and corporate stakeholders to underscore the crucial role of Corporate Social Responsibility (CSR) in advancing cancer care, especially for those in dire financial need.

Distinguished guests, including Dr Sayed Humayun Jafri from Tata Memorial Hospital Mumbai and leaders from Engineers India Limited (EIL), Bharat Petroleum Corporation Limited (BPCL), Indian Oil Corporation Limited (IOCL), and Oil and Natural Gas Corporation (ONGC), reaffirmed their commitment to supporting RGCIRC's mission.

## 22nd Annual International Conference: RGCON 2024

15<sup>th</sup> to 17<sup>th</sup> March 2024

Rajiv Gandhi Cancer Institute and Research Centre organized its yearly global academic conference with the aim of promoting ongoing medical education and sharing knowledge and expertise from distinguished faculties, both domestic and international, to benefit the delegates, students, and professionals alike. RGCON 2024, took place at Crowne Plaza, Rohini, New Delhi, India from 15<sup>th</sup> to 17<sup>th</sup> March 2024. The conference theme for this year was "Head and Neck Cancer: Bridging the Gap; From Cure to Survivorship."

RGCON 2024, as promised, delivered an enriching experience, with a compelling program featuring the latest ground-breaking advancements and research presented in scientific and educational sessions, complemented by vibrant networking events.

With a comprehensive program that encompassed the latest developments in diagnosis, treatment modalities, and survivorship care, along with an impressive line-up of esteemed speakers, both nationally and internationally renowned, this event delivered a dynamic and enriching experience for all attendees.

### Key highlights of the conference

**Cutting-Edge Research:** Novel therapies, precision medicine approaches, and emerging technologies that are transforming cancer care were discussed & explained.

**Multidisciplinary Approach:** Engaging sessions were delivered that promote collaboration among various disciplines, including surgery, radiation oncology, medical oncology, pathology, and supportive care with emphasis on the power of teamwork to improve patient outcomes.

**Patient-Centered Care:** Importance of patient centered care by hearing the inspiring patient stories was discussed.

**Interactive Workshops:** Attendees participated in hands-on workshops and case discussions to enhance the practical skills and problem-solving abilities.

The conference was attended by 11 International Faculty & 200 National Faculty & 1300 delegates .
